SPIRIT-FILLED FAITH

Students are joining CCNY's movement in rising numbers; new people visit every week!

People like Jacob. David met the CCNY sophomore when he moved-in this August. Later when they met for lunch Jacob shared his story of family brokenness, 17 foster families, gang life and seeing people die. David leaned into Jacob's story and shared how the hope we have in Jesus and the new family He invites us into was good news for him. 2 of our freshmen men walked up right as he prayed out loud to receive Christ! Since then, David's helped him grow in assurance of faith (1 Jn 5:13), the Spirit-filled life (Eph 5:18)* and the importance of living in community (Heb 10:25). With joy he's come to our weekly meetings, city-wide events, and is even planning to come to Baltimore Winter Conference! Praise God!

NEW COFFEY ADDRESS!!

We have a new address! Within 10 days of finding a God-send of an apartment, we packed, signed, loaded up and moved-in. Despite not meeting some of their high financial requirements for NYC renting (annually make 40xs the monthly rent), He carved a niche for us anyway in a great location on the UWS, with more space, in a family-friendly building where we've already made neighbor friends! Is there anything He can't do?! Thank you for your prayers. Needless to say we are still catching our breath and settling in. Pray for rest and gospel-sharing relationships.
