MOVEMENT LEADERS

ML Training (Jan 11-15). David MC-ed a virtual conference for staff in the NE to grow in their ability to launch and sustain movements in a spiritually dry climate. We NYC staff often find ourselves leading at levels far beyond our initial training. So it was a gift to start the semester with rich insight from seasoned Cru leaders.

WINTER CONFERENCE

Feb 5-6 was the first virtual national student conference Cru has ever hosted. 6,000+ students logged in. Marysol (CCNY Sr) jumped into a virtual group that connected her to students from 5 different states across the country. They exchanged initial pleasantries, before quickly also sharing their faith stories. Surprisingly, they'd talked until 2am and are still in touch! Praise God, as it reminded Marysol of God's faithful provision after a really challenging semester.

DISCIPLESHIP

God has brought some committed, thoughtful students to our movement over the past few years. Elijah, Nii and Isaque; Jeff and Bastien; Bryan and Andrew; and Zach and Ben (to name just David's dship groups). They are all experiencing high levels of exhaustion from zoom fatigue to high credit loads (20+ when 15 is standard), to community-preventing schedules! Pray God sustains them despite chaotic schedules, and He'd use them to draw others they know (at CCNY, Hunter, and Fordham) to Jesus.

WILDWOOD

By faith we are moving forward with Wildwood Summer Mission in June. There are tremendous opportunities for students to grow in faith and step out in faith. So far 4 NYC students are registered (and counting). Pray God brings the 22 students we need to pull the mission off.
