### Bible Thought:

"These men who have turned the world upside down have come here also."  
**Acts 17:6**

### Book Recommendation:

*The Meaning Of Marriage*  
by Tim Keller

### Please Pray

- God would provide for all our financial support before the Fall school year starts
- God would prepare the hearts of freshmen now to respond to our outreaches in the Fall and become mighty lifetime laborers for Christ!

### Praise God!

- For the depth of maturity, passion and teachability of our student leaders! How encouraging to work with them!
- For raising up two interns (Sal and Jocelyn) joining with us in the Fall! Pray that God brings in all their support this summer!

## Praying For The Fall

We are so eagerly anticipating returning in the Fall and working with all the returning students! However, now that we are married, we will have to raise enough support to cover the needs of two people—instead of just one. Please pray God would

provide all the necessary funds before the Fall starts so we don't lose any precious time with these and other students!

**Would you consider giving a special one-time or even additional monthly gift to help us reach our goal before the Fall starts?**

Thank you again for your prayers and hearts for Christ!

Until all hear, (Col 4:3-4)

David & Ashley
