Cru25 Staff Conference in Milwaukee, WI

Kids Camp

David Robbins,
New Cru President

WHOLE WORLD

Our Staff Conference has just closed in Milwaukee, WI, and we heard about our Calling - first to

Jesus and then to the Campus and the World - Together. There were so many stories of God on the move on campuses all around the globe. There is a strong hunger for the Lord, and it seems this may be a significant time unlike others where God is making himself known. Within (and outside) Cru surveys, reports, missiologists, churches, and other partnering orgs indicate this could very well be the generation that helps to fulfill the Great Commission. Wow!

WATCH. You can watch one of our sessions: tinyurl.com/cru25session

PRAY. We'd like to invite you to join thousands in a 40-day prayer chain around the clock for the campuses globally. Sign up for a 15-minute time slot (tinyurl.com/cru25pray) and follow the prompts.

WITH US. A 5min video was created (tinyurl.com/cru25world) to remind staff and ministry partners of the Lord's initial call to Cru: Reach the Campus today, see the World Changed Tomorrow. People in the video (some are Cru staff) from around the world share in their heart language "Come Help Change the World with Us." They have been reached with the gospel and are now impacting, both their home country, and the world.

We are nearing Cru's 75th anniversary (1951), and want to seek the Lord as we head back to campus next month. As you hear the call to "Come Help Change the World - with Us", we want to say thank you for playing a role. For all these years, men and women, like you, have prayed with us and sent us and have helped change the world. It is humbling and exciting.

Book

Master Plan of Discipleship
by Robert Coleman

Verse

But I say that wisdom is better than might, though the poor man's wisdom is despised and his words are not heard. - **Ecclesiastes 9:16**

Prayer

- Praise God for the encouragement and ministry connections from Cru25, and reminder to reach the world
- Open doors at Georgetown, Howard and Gallaudet universities, as we look to reach new campuses
- Athletes at Marymount University to grow & multiply their faith
- Our girls grew in their faith from the kids programming at Cru25!
