Nov Year 5 Letter 2

## Christ Wherever We Go

*"I honestly have talked.. about Jesus more in the past four days than I have in my entire life. I am totally falling deeper in love with the Savior of the world."*

**Kelsey never knew God and Ryan grew up in the church, but Jesus radically changed both their lives**

general sentiment of all our students that week as they invited a 'Top Five List' of people in their lives to come. My thrive group (the Magnificent Seven) shared with about 15 guys the night before the event, and hundreds more were also personally invited!

That Thursday Kelsey and Ryan shared the stories of how they each came to Christ, and of course we agreed with them that Jesus can save all who come to Him (Matt 11:28). Four indicated decisions for Christ that night and another 13 wanted to understand more what that meant. Praise God

This was the Facebook post of Brittany, an IUP Sophomore, following our 'I Agree With' outreach in October. And it was the

with us that not only are our students motivated to invite, but share the gospel with their peers!

## Being Men And Reaching Men

Freshmen men in many ways can make or break a movement. They bring energy and creativity that rejuvenates the ministry and draws unbelievers to explore. They're open to trying new events and meeting new people. Without them though we've noticed a gaping hole in our movements. With this in mind we planned a Men's Time. We attracted them with survival activities (building a fire, creating shelter, etc) and then shooting a crossbow at a

stationary deer target. The plan after the fun was to have Gary, a solid leader at my church, challenge them to be biblical men (1 Cor 16:13) and lead as God calls men to do. They responded well! Continue to pray for men, though. While we know God can accomplish His purposes however He sees fit (Is 46:11), we want to be as active and creative as possible in meeting people with the gospel. All glory to Him!

### Music By Me: Stripped And Unplugged

I've finally printed an album of 11 original songs entitled Stripped And Unplugged (it's recorded live on my iPhone—which captured surprisingly good quality)! After printing costs all proceeds go to supporting ministry in the Western Pennsylvania area. If you'd like a copy, get in touch with me; I'd love to share it with you! They are \$10 each.

### Bible Thought:

"But the Lord said to Samuel, 'Do not look at his appearance or at the height of his stature, because I have rejected him; for God sees not as man sees, for man looks at the outward appearance, but the Lord looks at the heart.'" **1 Samuel 16:7**
