

THE NEW YORK MINUTE

David & Ashley Coffey

NEW COFFEY 8/18/18!

Guess what! We are expecting our first child this August! It's crazy to imagine ourselves as parents, but with God's grace we can't wait for the adventure. Would you pray for us as we enjoy the anticipation and time preparing for our little coffee bean?!

A NEW CAMPUS!

David stepped foot onto Lehman College for the first time two years ago, blessed by how God had allowed him to witness such kingdom movement. For years, students have expressed great interest in exploring spiritual things at this campus.

This year, we found a small group of students who have not only expressed a desire to grow in their faith, but to take positions of leadership to lead and introduce others to Jesus! We have been

given the privilege of coaching and walking alongside these students this semester.

"Knowing that there is a community that wants to grow as much as I do and that has the same mindset as me is amazing. I felt like I've found my long lost family. I now go out and am so excited to talk to people and get to know about them and where they stand in their faith. I know that so many of my friends are longing for something so much deeper and real and it's great to know that I'm being prepared to bring those people to the One who's been waiting for them and loving them all along." —Francheska

Would you pray that more students would connect to this new budding movement at Lehman College?
