## Community On The Rise At NYU

40 students packed into Rm 903 for 1st NYU weekly meeting! (Empire State Building behind us)

### NYC Fast Fact

Aniska Coley, one of our QC students, is featured on the Humans Of New York facebook page! (Oct 3)

Day after day we rejoiced at what the Lord was doing as we started the school year at NYU.

Our first welcome week event at NYU gathered 30 Christians who were eager to grow in their faith as we offered them the opportunity to "Meet Local NYC Pastors." Pastors we are connected with in the city came onto campus inviting students into their dynamic communities. Partnering to care about these students and their walk with Jesus.

With a beautiful view of the New York City skyline in the background, students connected and shared life at our Rooftop Party. One non-believer marveled to David at the end of the night, "There's something about this group of people that's hard to describe. I've experienced real.. Community before." It was amazing, because everyone had just met that night!

Local church plant pastor hosted us for a rooftop party (left). Nearly 30 came! 30+ at Governor's Island BBQ, later (right)
