## NYC FAST FACT

UNITED NATIONS HEADQUARTERS WAS ESTABLISHED IN NEW YORK CITY IN 1952 AFTER WORLD WAR II

### WILDWOOD LEGACY

It was with hands full and heart bummed that we decided to pause Wildwood 2019 for one summer. Cru required some staff theological development and a rebrand. Over the last three missions we've seen nearly 100 students come to the south Jersey beach to grow in their faith and reach the lost. Students of varying backgrounds, ethnicities and types of schools (public, ivy, tech and christian). They left with a passion to make Jesus known wherever they went. And 17 students (so far) have gone on to join staff with Cru or some other ministry for at least one year. Wow! Pray for this legacy to continue in future summers.

### NEW FAITH AT CITY COLLEGE

After investing four years developing a movement at NYU, 5 staff members and at least 10 student leaders (several with Cru summer missions experience) lead the charge! Sensing the Lord calling him to build movements elsewhere in the city, David moved his primary focus to City College (flagship CUNY\* campus in Harlem). David and the City College (CCNY) team started the year surfacing nearly 200 students, with 30 indicating interest in helping start a Christian movement. In the course of followup and evangelism, David and Cindy led Chelsea to Christ, and later that week, Jacob placed his faith in Christ, as well ("I understand what your saying, but how do I become a Christian?" he said)! David is also networking with pastors and students at Lehman (and other BX CUNYs) & bringing the gospel to Columbia University.
